

COBRA OPTIMIST "SPRING" VOLLEYBALL 2023

League Information

COBRA volleyball is a recreational league for 2nd thru 7th grade players, both female and male. Our intent is to develop a player's skills and a love for the sport of volleyball.

COBRA Youth Sports has agreed to abide by the Iowa West Field House Covid 19 protocols.

Currently the Iowa West Field House does not have a mandatory mask rule for players, coaches, and spectators but that can change during the season. If you are not willing to abide by their mask and social distancing rules that may be implemented during the season, please do not sign up for Cobra Volleyball.

PRACTICE and GAMES:

- All volleyball practices and games are held at the Iowa West Foundation Field House.
- Practice courts are available starting April 3rd & 4th.
- Games are played on Monday and Tuesday evenings starting on April 24th & 25th with each team offered a practice prior to their game.
- The Spring league will finish with a tournament on June 12th or 13th.

Once we have an idea of the number of teams/participants, we will work at assembling teams, coaches, practice times and game times.

Players and coaches are provided with a team t-shirt; balls are provided for practices and games. We encourage each player to have volleyball knee pads.

We are always in need of coaches - Please think about volunteering to coach or find a friend and co-coach a team. Coaches' first child registered plays for free!

Through the generous support of the Iowa West Foundation and Omaha Sports Academy, we are using the Iowa West Fieldhouse for volleyball.
